“ Just a few of my favorite pictures of her. She loved her bingo and food. I loved baking her goodies and we had so many great times at bingo...hardly ever won but had fun together. I will forever miss you momma and cherish you to the end of times. I not only lost my mom but I lost my best friend my rock my hero and my protector. She was my everything. Will be so lost without you but I know you're keeping an eye on me n will forever be in my heart. Love you momma dearest you had the most beautiful soul, heart and baby blue eyes. Thank you so much for the signs of knowing I was there for our last visit...it was overwhelming but goes to show just how strong of a woman you are and the strength of your love.
