“ Amy and Family. It was such an Honor and Privilege to know and take care of Lois. She was a lady that was set in her ways. She loved to read her Bible and then share it . I can remember seeing hand written Bible verses at the Nurse station that she had given to the staff.
I have no doubt that one day we will see Lois again and I look forward to that day.

“ My thoughts and prayers are with you. I know Lois is with the Angels now. I will ALWAYS remember her 'Smiling Eyes', when she would be napping in one chair and Lyle was napping in the other chair and when I would catch one of them looking at the other with so much love it could bring a tear to my eye.
